

COUNTRY FIELD FORAGE 2489 ORGANIC

Field grass annual

Profile

COUNTRY Field forage 2489 is characterised by fast growth and a high yield. The mixture is free of legumes and consists of 100% Annual ryegrass, which is excellent for intercropping.

- ✓ High yields with intensive management
- ✓ 100 % Annual ryegrass
- ✓ Fast growing and high quality

Components

100% *Lolium westerwoldicum*
Alberto, Arnoldo, Ramiro

* also suitable for intercropping, yield in 1st cut above average

Sowing pattern

New sowing

Cultivation notes

New sowing	40 - 45 kg/ha
------------	---------------

Sowing time	from April to August
-------------	----------------------

Usage per year	1 - 2
----------------	-------

All organic mixtures are produced with 100 % organic content, if possible, in accordance with the EU Organic Farming Regulation 2018/848. For mixtures with at least 70% organic content, the farmer must obtain approval from his inspection body for the use of the conventional content before sowing, starting with production in January 2022. We aim to use at least 2 varieties per ripening group for mix proportions of more than 20 % of one species and for German ryegrass. The choice of varieties may vary depending on production. If individual species or varieties are not available, they are replaced by equivalent ones. The seed strengths are calculated for an optimal seedbed; in case of poor external conditions - such as insufficient seedbed, late sowing date, insufficient nutrient supply and unfavourable weather - the seed strengths should be adjusted upwards.

All specified informations, recommendations and representations mentioned here are made to the best of our knowledge and belief, but without guarantee of completeness or accuracy. We cannot guarantee that the properties described are repeatable. All information is provided as an aid to decision-making. Deutsche Saatveredelung AG excludes adhesion for damage or claims for damages, resulting of the use for the variety specified in this description. Mixture compositions may change if individual varieties are not available. As of 07/2023. Subject to change without notice.
