

# MATENGA

*Lolium perenne*

## Profile

MATENGA is an absolutely high yielding tetraploid perennial ryegrass. The remarkable high persistence and the good winter hardiness count to the very good characteristics of MATENGA. The variety achieves a top ccore concerning rust resistance.

National listing/Official recommendation:  
DE, BE

- ✓ high yielding
- ✓ very healthy
- ✓ well known in Denmark

## Suitability

Ploidy	tetraploid
Maturity	inter

## Yield characteristics

Dry matter yield total	<div><div></div><div></div><div></div><div></div><div></div><div>6</div><div></div><div></div><div></div></div>	medium to high
Dry matter yield - 1st cut	<div><div></div><div></div><div></div><div></div><div></div><div>6</div><div></div><div></div><div></div></div>	medium to high
Dry matter yield - further cuts	<div><div></div><div></div><div></div><div></div><div></div><div>6</div><div></div><div></div><div></div></div>	medium to high

## Plant stand development

Early growth development		medium to strong
Susceptibility to winter damage		low to medium
Tendency to lodging		medium
Persistence		medium to high
Sward density		medium

## Healthiness

Susceptibility to rust		low to medium
------------------------	--	---------------

## Quality

Inflorescence formation in aftermath		low to medium
--------------------------------------	--	---------------

Classification according to the descriptive variety list - Bundessortenamt (federal plant variety office, Germany) 2022 and our own results.

All specified informations, recommendations and representations mentioned here are made to the best of our knowledge and belief, but without guarantee of completeness or accuracy. We cannot guarantee that the properties described are repeatable. All information is provided as an aid to decision-making. Deutsche Saatveredelung AG excludes adhesion for damage or claims for damages, resulting of the use for the variety specified in this description. Mixture compositions may change if individual varieties are not available. As of 10/2022. Subject to change without notice.
